

GOLF EVENT PLANNING CALENDAR

Palmetto Dunes Oceanfront Resort can accept group reservations up to one year in advance. We encourage you to discuss re-booking your event with us for the following year on the day of your current event. The market for golf events on Hilton Head Island is ever increasing and this is the best way to ensure your choice of date.

The following golf event planning calendar has been prepared to assist you in the planning of your event at Palmetto Dunes Resort.
