Palmetto Dunes Oceanfront Resort Boasts a Wide Range of World-Class Activities

HILTON HEAD ISLAND, S.C. – Palmetto Dunes Oceanfront Resort has been a favorite vacation destination for decades, providing one of the richest vacation experiences in the country with more award-winning activities than any other resort in the Southeast.

Ranked the No. 1 family resort in the United States and Canada by *Travel + Leisure Family* magazine, Palmetto Dunes features activities and experiences for every member of the family. Here is a quick overview of some of the highlights available year-round at Palmetto Dunes:

GOLF

Palmetto Dunes Oceanfront Resort is one of the premier golfing destinations in the Southeast. Guests may choose from three superb courses, each one distinctively different, yet challenging. The **Arthur Hills Course** at Palmetto Dunes, designed by famed golf course architect Arthur Hills, was built on a series of rolling dunes and has been named the 2009 Course of the Year. The scenic **Robert Trent Jones Oceanfront Course**, home to one of the most stunning oceanfront holes in the Southeast, was honored as the South Carolina Course of the Year in 2003. The **George Fazio Course**, Hilton Head Island's only par-70 layout, presents a challenge to any accomplished golfer: a series of long par 4s guarded by bunkers and water hazards. Veteran golfers regard the Fazio course as Hilton Head Island's true championship course. Each of these superb courses is rated four stars or better by *Fodor's Golf Digest Placed to Play*.

GOLF INSTRUCTION

Golfers who want to improve their handicap can learn from some of the best golf instructors in the sport at Palmetto Dunes Oceanfront Resort. A free golf clinic and demonstration takes place every Monday at 4 p.m. at the Jones Golf Center. Private lessons are available from an assistant professional, head professionals and the director of instruction. A daily golf clinic featuring the stroke of the day takes place at the Jones course. With a student-instructor ratio of 6:1, the clinic offers nearly individual attention. All golf instruction is under the direction of former PGA Tour player Doug Weaver, the resort's highly regarded director of instruction. Golfers may want to take advantage of "The Custom Fitting Experience," a free swing evaluation and club fitting.
