**Shelter Cove Harbour and Marina Offers the Best of
Hilton Head Island in a Magnificent Waterfront Setting**

HILTON HEAD ISLAND, S.C. – Shelter Cove Harbour at Palmetto Dunes Oceanfront Resort serves as a spectacular waterside shopping, dining and entertainment destination, conveniently located in the heart of Hilton Head Island.

Shelter Cove Harbour and Marina was designed to resemble a Mediterranean village. At its center is the harbor and marina, a picturesque setting of 170 slips where sailboats, power boats and yachts come to dock.

The marina is the largest deepwater cove on the island, a popular port of call for boats and yachts traveling the Intracoastal Waterway between northern destinations and the warm waters of Florida and the Caribbean. Surrounding the harbor is a collection of shops, galleries, restaurants and service boutiques.

Located directly across Highway 278 from Palmetto Dunes Oceanfront Resort, Shelter Cove Harbour comes alive during the spring and summer months with a variety of outdoor activities and entertainment. Shelter Cove is home to various charters, nature cruises, dolphin tours, sport crabbing and fishing. Charter boats depart daily for inshore or offshore fishing, while ships set out for a dolphin encounters and nature experiences off the South Carolina coast. Kayakers on guided nature tours silently paddle out of the harbor en route to the salt marshes where birds, crabs and other island creatures make their home.

One of Shelter Cove's most popular summer events, HarbourFest, marks its 23rd anniversary in 2011. This summer-long event runs from early June through mid-August and encompasses live entertainment, food, arts and crafts and a flurry of activity.

Family friendly entertainer, Shannon Tanner, has been a part of HarbourFest since the beginning. Shannon is an audience favorite and has been delighting generations of families on Hilton Head Island year after year with his light-hearted performances. Shannon's show features sing-alongs, original songs, pop music and classic tunes. Wearing his trademark beanie for the kids' show, Tanner often invites children to share the stage and join in the performance. This year, Cappy the Clown (an island favorite) will be entertaining at Shelter Cove Harbour during HarbourFest as well!

Not to be outdone, the spectacular Fourth of July fireworks show is a distinctive crowd-pleaser. For a unique perspective, Outside Hilton Head offers guided kayak tours that allow paddlers to watch the fireworks from the water.

Just look for artist Wayne Edward's towering sculpture of King Neptune at the center of Shelter Cove. It's the world's largest figure sundial. Neptune's trident spear serves as the time indicator. With a little practice, guests can learn how to read the graph etched into the platform and how to adjust for the correct time any month of the year.
